AutoPark Dallas is thrilled to offer you this Beautiful LOW MILEAGE Phantom Black Metallic 2004 Pontiac GTO for sale! Considered the ultimate sleeper car back in their hay-days, the Pontiac GTO bare not much eye appeal on the exterior but under the hood was a different story. Equipped with Chevrolet's V8 'LS2' 6.0L Engine, commonly found in the Corvette around the similar years, these Pontiac coupes were considered the easiest vehicle to do mild modifications to that will make the tires squeal and destroy unsuspecting competition. Our GTO here at APD though, is the prime example of 'handled with love'! The low mileage and pristine condition of the interior and exterior, lets you know that even without all the mods this Pontiac is still a beauty! DO! NOT! HESITATE!!! To check out this blast from the Pontiac past as this GTO is parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury Vehicles!
