Our impressive 2009 Toyota Highlander Sport 4WD in Magnetic Gray Metallic is quiet, smart, and comfortable. Equipped with a 3.5 Liter V6 that produces 270hp while paired to a 5 Speed Automatic transmission. This one of a kind Four Wheel Drive machine is sure to please any driver as it scores over 23mpg on the open road.

Our Sport is full of all the comfort features you could ask for. Get comfortable in the leather seating, open the sunroof, and enjoy the backup camera, and three rows of seating, with second-row captain's chairs to provide more room for passengers. Additionally, the third-row bench seat has foldable headrests so that it can be converted into a flat cargo area.

Safety was one of Toyota's top concerns when designing the Highlander, and the automaker responded by equipping the mid-size SUV with ABS, traction control, brake assist, electronic brake-force distribution, electronic power steering, and a new feature called enhanced vehicle stability control.
