This Anniversary Edition Harley-Davidson is a unique masterpiece, with its very own work of art marking it as part of this historic celebration.

Forged of solid bronze and plated with black nickel, each Anniversary medallion is then distressed to highlight the bronze. And since no two can ever distress the same, each becomes a completely unique commemorative sculpture. The finishing touch is a bold gold cloisonné showing the Harley-Davidson Bar and Shield.

This is a local, one owner, perfect Carfax, never laid down, Anniversary Edition Harley-Davidson Sportster 1200, that runs and drives great, and looks even better! This beautiful one owner is in excellent condition, it has always been serviced at the same Harley Dealership where it was bought new, so it should have lots of life left in it! The original owner is getting older and just wasn't riding as much so he decided to sell it, and I bought it, and I can assure you what I am offering it at will be the cheapest on the internet!

To be able to find a one owner, with this great service and maintenance history, all these custom extras, this nice, this clean, at this great price, is a deal, and keep in mind, this is an "out the door" offer, nothing extra, no doc or dealer fees, nothing!
