This is a Safari Zanzibar model 3913FD approx 40ft

with 3 Slides, Cat  
370hp Diesel with an  
Allison 6speed Auto  
trans.

We completed an  
inspection on this RV  
and the following shows  
the results of our  
findings:

Text 864 245 0730.

The engine runs good.  
The transmission shifts  
good.

The Diesel gen runs  
and produces power.  
The engine or dash AC  
seems to maybe need  
a little freon gas to  
make it cold.

This motorhome was  
just driven approx 100  
miles with no issues.

There is a single roof  
AC unit that works for  
AC and heat pump. The

AC and heat pump. The front AC unit was removed prior to our purchase.

A new front AC with remote control could be added for approx \$1600.

The LP system Furnace, Water Heater and Stove top try to function but it is out of the LP gas.

It has 2015 tires.

The microwave turns on, although we did not cook anything in it.

The water system works, the toilet valve leaks, needs to be replaced or approx \$150 and the bathroom faucet drips even when turn off, new cheap faucet approx \$150

installed.

The fridge works.

The radio XX

A few of the lights do not work as you can see in the photos, most of the time, the bulbs are bad.

Most of these older motorhomes really need the oil, oil filter, fuel filter changed on both the engine and the generator.

The jacks work.

The carpet needs to be replaced due to stains as you can see in the photos.

The batteries are older and may need to be replaced.

There is a location for a washer dryer combo

washer dryer combo unit located in the bedroom. We can install a functional used combo unit for \$800, or a new combo unit is approx \$1700 installed. We did NOT check anything else.

If you do not see it, or I do not show it functioning or it is not listed in this description, the I did NOT check it, it is missing or similar. The only items checked are listed or shown in photos.

This RV is older and a little dirty and it could use a good cleaning, it is 21 years old and used. I tried to take a lot of photos so you can tell.

For the buy it now price  
of \$29999 we will  
include the following:  
oil, oil filter and fuel  
filter change on both  
the engine and  
generator  
Wiper replacement  
New toilet valve and  
bathroom faucet  
Washer Dryer  
Front remote control  
AC 13.5 installed  
New tires  
Full tank of Diesel and  
LP.

This means that you  
have the opportunity to  
purchase cheap, fix it  
up and sell for a profit if  
you so desire.

For any other price  
those items would NOT  
be included

be included.
