As you can see from the photos, this Genesis is in excellent shape inside and out, however, we do want to make everyone aware that this G80 has a "Manufacturer Buy Back" title branding from 2022. Genesis reacquired this G80 to promote customer satisfaction. The history report shows consistent maintenance history and the condition of the vehicle itself speaks volumes. While we typically do not sell these types of vehicles, we've carefully inspected the vehicle and reviewed the history report and feel this Genesis will make an incredible car for someone at an incredible price! We've taken into consideration the title situation and priced this G80 well below the market value!

To make sure this Genesis G80 Luxury Sedan runs and drives perfectly, it has been fully inspected and certified to be sold. The inspection process is very thorough and all of the vehicle's systems, fluids, brakes, tires, suspension, engine and drivetrain are gone through so there are no surprises! If you have any questions or are considering trading in your current vehicle, please call anytime at (715) 833-2020.
