Step into the realm of comfort, safety, and innovation with the 2018 Nissan Rogue SV, a shining example of automotive excellence that blends power, efficiency, and state-of-the-art technology to deliver an unrivaled driving experience.

At the heart of this majestic vehicle lies a robust 2.5L I4 engine, boasting an impressive 170 horsepower and 175 ft. lbs. of torque, providing you with the perfect balance of strength and agility. Coupled with a seamless Continuously Variable Transmission (CVT), the Rogue SV offers a smooth and responsive ride that adapts to your driving style, ensuring a journey that's as exhilarating as it is efficient.

Safety is not just a feature; it's a cornerstone of the Nissan Rogue SV. With an automatic emergency braking system at the front, you are enveloped in a cocoon of security, ready to act in those critical moments. The pre-collision warning system emits an audible alert, giving you the foresight you need to prevent accidents before they happen. And with the blind spot safety sensor and alert, you can change lanes with confidence, knowing that your Rogue is looking out for you.

Navigating bustling streets and crowded parking lots becomes a breeze with the Rogue's rear cross-traffic alert, providing an extra set of eyes where you need them most. And when it comes to staying connected on the go, the Rogue SV doesn't disappoint. Smartphone integration via Android Auto, Bluetooth auxiliary audio input, and a wireless data link ensure that your favorite tunes, navigation, and communication tools are always at your fingertips, all while keeping your eyes on the road and hands on the wheel with voice-operated hands-free phone call integration.

The Rogue SV doesn't just shine in functionality; it dazzles with its design as well. LED daytime running lights and LED taillights not only

enhance visibility but also add a touch of sophistication to the vehicle's sleek exterior. Inside, the spacious cabin welcomes you with a 7-inch infotainment screen that serves as your command center for all your entertainment and vehicle settings.

For those tight parking spots, the Rogue SV has got your back with front parking sensors that guide you into any space with ease. And with voice-operated electronic messaging assistance, you can stay connected and informed without ever taking your hands off the wheel.

With side airbags at the front and side curtain airbags, both at the front, the Rogue SV wraps you and your passengers in a blanket of protection, ensuring peace of mind for every mile you travel. This is not just a vehicle; it's a guardian, a companion, and a bold statement on the road.

The 2018 Nissan Rogue SV is more than just a car; it's a testament to the perfect symphony of engineering and design. It's a vehicle that doesn't just meet expectations; it surpasses them. It's a vehicle that doesn't just get you from A to B; it takes you on a journey of discovery, safety, and luxury. Embrace the future of driving with the Nissan Rogue SV – where every drive is a promise of adventure, comfort, and confidence. Don't just take our word for it; come and experience the allure of the Rogue SV for yourself. Your new journey awaits.
