2014 Porsche Cayenne Diesel AWD

Porsche is really all we have to say, the brand that has been creating perfect vehicles for many years. This 2014 Porsche Cayenne Diesel AWD is another in the line of excellence, blending capability, performance, swagger and comfort. This vehicle isn't just a mode of transportation; it's a statement of sophistication and power.

The heart of this Cayenne is a potent 3.0L Diesel Turbo V6 engine, producing a commanding 240 horsepower and an impressive 406 ft. lbs. of torque. The All-Wheel Drive system ensures that no terrain is too challenging, providing you with stability and traction in all conditions. The exterior of this Porsche Cayenne is finished in a stunning red that is sure to turn heads, while the black leather interior encapsulates you in a cocoon of comfort and style. The seats cradle you as you take command of the road, and the leather-wrapped heated steering wheel keeps your hands warm during those chilly morning drives.

Entertainment is at your fingertips with the BOSE Surround Sound System, featuring 14 speakers, including a 200-watt active subwoofer and a 9-channel amplifier for an audio experience that is as clear as it is immersive. Connectivity is seamless with auxiliary audio input and wireless data link Bluetooth, keeping you in sync with your world.

The Rearview Camera with Park Assist aids in maneuvering in tight spots, while the front and rear ultrasound sensors provide audible and visual proximity alerts. Rain-sensing wipers adapt to the weather, giving you one less thing to worry about. The dual-zone automatic climate control ensures both you and your passengers are comfortable, regardless of the weather outside.

regardless of the weather outside.

Don't let this opportunity pass you by—embrace the drive that defines excellence.
