That's right, this red-hot icon comes with astonishingly low miles, ensuring its place as a pristine collectible and a testament to automotive passion.

The exterior of this GTO is finished in a vibrant red that captures the essence of the 60s' flair and the spirit of the open road. secrets. The cabin is a cocoon of nostalgia, where every gauge and switch takes you back to a time when driving was an experience, not just a means to an end.

Under the hood lies the heart of this beast – a 421CI 8-Cylinder Engine that's been expertly bored to a monstrous 470CI. And if that's not enough to get your pulse racing, the .562 CAM will surely do the trick. This engine is a marvel of engineering, a powerhouse that's been built to deliver exhilarating performance and a symphony of mechanical harmony that only a true car aficionado can appreciate.

Transferring this raw power to the pavement is a robust 3spd TCI Race Transmission, a component that's as tough as it is smooth.
