Vehicle Description

AutoPark Dallas is thrilled to offer you this BEASTLY 2013 Chevrolet Camaro ZL1 for sale! The Camaro has long been a staple in the American muscle car community, but no previous standard production Camaro model has quite accomplished what the ZL1 has during the entire tenure of the run. Equipped with the 6-Speed Manual Transmission it becomes quite the exhilarating driving experience, driving all that power through the rear wheels. Of course as with most Chevrolet products, there is plenty of room for improvement and performance gains - this ZL1 has seen some of those benefits with a set of TSP Long Tube Headers along with a Roto-Fab Cold Air Intake. Needless to say, with range topping performance, plus some mild modifications to responsibly gain additional power, this Camaro ZL1 won't stick around long - don't miss your opportunity! DO! NOT! HESITATE!!! To swing by and check out this Camaro ZL1 that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
