Vehicle Description

AutoPark Dallas is thrilled to offer you this blast from the past 2000 Plymouth Prowler for sale! Finished in shiny Prowler Bright Silver Metallic Clearcoat paint with black leather interior, a color combo that you want in a Prowler.

Channeling the great hot rods of the past with its jaunty looks and dramatically staggered rolling stock, the hot rod reinvented. If you're a real car guy, I don't have to tell you about the Prowler's influences or the homage that it represents as a very cool car that has become an icon in its own time. The Prowler is a great tribute to the past and a smart investment for the future, so... DO! NOT! HESITATE!!! Come swing by to check out this Prowler parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
