Step into the realm of pure driving exhilaration with this iconic 1993 Nissan R33 Skyline GTS-T, a true masterpiece of Japanese engineering that stands as a testament to the golden era of performance cars. With a mere 90,590 miles on the odometer, this legend is ready for much, much more. The moment you lay eyes on its dark red exterior, you'll be captivated by the Skyline's timeless design and the body kit that's reminiscent of the Nismo 400 R. The paintwork shimmers under the sun, highlighting the car's well-preserved condition and the care it has received over the years. Slip inside, and you'll find yourself enveloped in a cockpit that perfectly blends function with comfort. The black cloth and leather interior is a sanctuary of style and performance, with seats that hug you through every corner and a layout that puts you in full command. Plus, this R33 is right hand drive, so you get the full JDM experience. At the heart of this beast lies a potent 2.5L Turbocharged I6 engine that's been upgraded or updated almost across the board. The raw energy surges through the 5-speed manual transmission, offering you complete control over the Skyline's impressive performance. Come in and take a look at this monster. Trades are welcome, and we offer financing, so there's nothing stopping you from experiencing this Skyline.
