I95 Muscle would like to present this wonderful piece of 70s Americana - a 1973 Ford Mustang. Painted in a mesmerizing shade of blue, this Mustang commands attention wherever it goes. The sleek lines and iconic Mustang design are enhanced by the vibrant color, making it a standout on the road. If it's possible, the inside of this Pony car draws even more attention. The interior boasts blue vinyl seats that not only look fantastic but also offer a comfortable and supportive ride. The blue-on-blue color scheme creates a cohesive and stylish look that perfectly complements the exterior. The party piece is what's under the hood - the legendary Ford 302. Backing up this timeless V8 is a 3-speed auto transmission, making it easy to drive and ready whenever you are. Having a bright blue '73 Mustang means you're not the same as all the others in the office building, or at the job site. You wanted to stand out. You wanted to smile on your drive to work. You wanted a Mustang. So don't wait until someone else swipes your Mustang out from under you. We can take your trade-in, or we can finance you. Come make it yours and stand out.
