This is a 2013 Hurricane by Thor with 2 Slides, model 32A, 33ft long.

Only 50k miles
We completed an inspection on this RV and the following shows the results of our findings:

The Ford V10 runs

good.

The transmission shifts
good.

The Onan 5500 gen
works with
approx 1001 hours.

The engine or dash AC
seems to maybe need
a little freon gas to
make it cold.

This motorhome was
just driven approx 100
miles with no issues.

There are 2 roof AC
units that work.

The LP system tries to
work, Water Heater and
Stove top, but it is out
of the LP gas.

It has 2015 date code
tires on it, so, it needs
new tires or approx
\$1700.

The microwave turns
on, although we did not

on, although we did not cook anything in it.

The water system works.

The fridge works.

The jacks work.

The power cord is a 50 amp and is missing. We used one of our power cords to check the systems. Typically, we have used 50amp twist lock power cords for \$125 and new for \$225.

The radio and back up camera work.

The batteries may need to be replaced, they are older.

The main awning works, the material is the fabric, not your typical vinyl and it is pretty decent but has a

pretty good but has a few minor holes and stains in it but is still very functional.

A few of the lights do not work as you can see in the photos, most of the time, the bulbs are bad.

Most of these older motorhomes really need the oil, oil filter, fuel filter changed on both the engine and the generator.

We did NOT check anything else.

If you do not see it, or I do not show it functioning or it is not listed in this description, the I did NOT check it, it is missing or similar.

The only items checked are listed or shown in

photos.

This RV is dirty and needs a good cleaning and it is also a little rough, it is 11 years old and used.

I tried to take a lot of photos so you can tell. For the buy it now price of \$39999 we will

include the following:

oil, oil filter and fuel filter change on both the engine and generator

Wiper replacement

Used power cord.

New awning material.

New tires

New wipers

Replace batteries

Full of GAS and LP

This means that you have the opportunity to purchase clean fix it

purchase cheap, fix it up and sell for a profit if you so desire.

For any other price those items would NOT be included.

If you win this item on an ebay auction, then the following terms would apply.

The \$500 down payment is due as soon as the auction is over.

Wednesday whether you pick up it or not.

We are typically purchasing additional RVs at auctions nearly every week.

We require the payment by close of business on

Wednesday so we can purchase additional units at the auction.

We try to sell a lot are very low profit so we have to turn out money very fast.
