need to schedule two hours. If you do not schedule any time, then the ebay transaction will be just a sign and drive, you can figure out all of the camper stuff yourself. If you are purchasing on a buy it now price, or some other website then no worries about scheduling time.

This is a Georgetown by Forest River with 3 Slides, bunk beds, 2 full bathrooms, model 364, 37ft long.

Only 20k miles, the bank or Nada Retail value with the addition of the low miles and no other options is \$110k

and the wholesale value with miles and no other options is \$75k. We completed an inspection on this RV and the following shows the results of our findings:

The Ford V10 runs good.

The transmission shifts good.

The Onan 5500 gen works with less than 100 hours.

The engine or dash AC seems to maybe need a little freon gas to make it cold.

This motorhome was just driven approx 100 miles with no issues.

There are 2 roof AC units that work.

The LP system tries to

The LP system tries to work, Water Heater and Stove top, but it is out of the LP gas.

It has the original tires on it, so, it needs new tires or approx \$2000 for all 6.

The microwave does not turn on.

The water system works.

The fridge works.

The jacks work.

The power cord is a 50 amp and is missing. We used one of our power cords to check the systems. Typically, we have used 50amp twist lock power cords for \$125 and new for \$225.

The radio is missing.

The batteries may need

...the batteries may need to be replaced, they are older.

The main awning works, the material is the original and has a few holes in it but is still very functional.

A few of the lights do not work as you can see in the photos, most of the time, the bulbs are bad.

Most of these older motorhomes really need the oil, oil filter, fuel filter changed on both the engine and the generator.

We did NOT check anything else.

If you do not see it, or I do not show it functioning or it is not listed in this description,

... IT IS NOT INCLUDED ...

the I did NOT check it,
it is missing or similar.
The only items checked
are listed or shown in
photos.

This RV is dirty and
needs a good cleaning
and it is also a little
rough, it is 7 years old
and used.

I tried to take a lot of
photos so you can tell.
For the buy it now price

of \$84999 we will
include the following:
oil, oil filter and fuel
filter change on both
the engine and
generator

Wiper replacement

Full of LP gas and
gasoline for the engine
