Vehicle has the remaining 5 Year/60,000 Mile Factory Powertrain Warranty from Nissan. VIN# 5N1BT3BB9NC695970. \$23,874.00 (480)-468-1229 (Se Habla Español)

Here's the deal -- We are a high volume wholesale brokerage with very little overhead. Most of our vehicles are lease returns or bank repos that are acquired directly from the leasing institutions or banks. What makes us different is the fact that we sell these vehicles for the same amount that we acquire them for (Plus a broker fee of \$499.00 - which is included in the advertised price). That's it. . . For that reason, we are

seriously agitating a lot of dealers out there because we are revealing what they actually pay for their vehicles.

Now, if you were paying attention to that first part that means that you can acquire these vehicles for DEALER COST. (Hence the irritability of the dealers). We do not have any doc fees, hidden costs or surprises. AuctionDirect2U has been in business for 20 years and is a licensed, bonded and insured automotive dealership, so 8.30% sales tax and your registration will be the only other amounts added to your price.

These are the same vehicles that you will see at franchise and independent dealerships only priced FAR less. Unlike their big multi million dollar facilities, we have very little overhead. This allows us to pass the savings on and leave a little profitability on the table for you. We're not getting rich off of \$499.00, but our intention is to give enough people a great enough deal that through volume we can still be profitable at the end of the month.

All of our vehicles are under warranty. The majority are still covered under the manufacturers original warranty and if they aren't we acquire a minimum 90 day warranty through a reputable national chain which would assist if any failures should occur.

PRICING - The advertised price on each vehicle is the price we are going to sell it for. With such small margins we cannot haggle with you or lower the price. If you have any questions or would like to come see this vehicle, we can be reached at: (480) 468-1229.
