## Vehicle Description

AutoPark Dallas is thrilled to offer you this Beautiful LOW MILEAGE Quicksilver Metallic 2006 Pontiac GTO for sale! Considered the ultimate sleeper car back in their hay-days, the Pontiac GTO bare not much eye appeal on the exterior but under the hood was a different story. Equipped with Chevrolet's V8 'LS2' 6.0L Engine, commonly found in the Corvette around the similar years, these Pontiac coupes were considered the easiest vehicle to do mild modifications to that will make the tires squeal and destroy unsuspecting competition. DO! NOT! HESITATE!!! To check out this blast from the Pontiac past as this GTO is parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!

The team here at AutoPark Dallas, is dedicated to offering a level of customer service not usually found in the automobile industry. Thanks to years of extensive car buying / selling experience, we pursue quality used and new vehicles that are hand-picked from factory sources. Our love for automobiles and dislike of traditional dealership tactics is what motivates us to provide the service we do! The pride we take in continuing this service long after the vehicle has been delivered is what we strive for! Looking forward to making every effort to see that our customer is completely satisfied and a friend for life!

Pre-purchase inspections are always welcomed!

We also offer airport pick-up, competitive financing options, free CarFax Reports, Car Shipping nationwide, Extended Warranty plans, and so much more!

Trade-In(s) are always accepted or sell us your used car (MODIFIED OR NOT)! Please call or text for more information about Trade-Ins or selling your car to us!
