Step into the realm of rugged capability and enduring reliability with our 2010 GMC Sierra 2500HD Utility Cab 4x4 Work Truck, a powerhouse that's been meticulously crafted to tackle the toughest of jobs without breaking a sweat. With 133,486 miles on the odometer, this stalwart has proven its mettle on the road and is ready for many more years of steadfast service.

The exterior of this Sierra

2500HD is finished in a sleek and professional gray, a color that not only exudes a sense of sophistication but also masks dirt and grime from the daily grind, ensuring your vehicle maintains a clean and presentable appearance. The interior is equally impressive, featuring durable black vinyl that can withstand the rigors of daily use while offering an easy-to-clean surface, perfect for those who demand both practicality and professionalism from their work vehicle.

Under the hood lies the heart of this beast – a Vortec 6.0L V8 engine that churns out an impressive 312 horsepower and a robust 373 ft-lbs of torque. This powerplant is paired with a 6-speed shifttable automatic transmission that provides smooth and responsive shifting, allowing you to harness the full potential of the engine whether you're cruising on the highway or navigating challenging job sites.

This GMC Sierra 2500HD isn't just about raw power; it's also about smart capability. The 4x4 drivetrain ensures that no terrain is too tough, no weather too severe. Whether it's a snowy path or a muddy work site, this truck has the traction and control you need to get the job done with confidence.

Manufacturer options and packages on this vehicle have been carefully selected to enhance both performance and convenience. While specific details of these packages are not provided, rest assured that GMC's commitment to quality and customer satisfaction means that every feature has been designed to meet the high standards of discerning truck owners.

And let's not forget the accolades – this model has been recognized by J.D. Power and Associates in their Vehicle Dependability Study (VDS), ranking as the Highest Ranked in its category. This

Ranked in its category. This prestigious award is a testament to the Sierra 2500HD's quality, reliability, and value, giving you peace of mind that you're investing in a vehicle that's been honored for its excellence.

In summary, our 2010 GMC Sierra 2500HD Utility Cab 4x4 Work Truck is more than just a vehicle; it's a reliable partner that's ready to rise to the occasion, no matter what the job demands. It's a testament to durability, a symbol of strength, and a beacon of dependability. Don't miss the opportunity to own this gray gem – a vehicle that not only drives your business forward but also drives you towards a future of success and stability. Come and see for yourself why this GMC Sierra is the workhorse you've been waiting for. Your next great adventure in automotive excellence awaits!
