Vehicle Description

Step into the world of efficiency and reliability with the robust 2012 Chevrolet Express Cargo Van 2500, a vehicle that stands as a testament to durability and functionality. Clad in a classic white exterior, this van presents a professional and clean appearance that's perfect for businesses and independent contractors alike. The interior, adorned with practical vinyl upholstery, is designed to withstand the rigors of daily use, ensuring your workspace remains pristine no matter the job at hand.

Under the hood, you'll find the heart of this workhorse: a powerful 4.8L Flex Fuel V8 engine that delivers a robust 280 horsepower and a commanding 295 ft. lbs. of torque. This engine is not only strong but also versatile, running efficiently on either gasoline or E85 ethanol-blended fuel, providing you with the flexibility to choose based on availability or price. Mated to a 6-Speed Shiftable Automatic transmission, this van offers smooth and responsive shifting, allowing you to navigate traffic with ease or cruise on the highway with confidence.

Safety and stability are paramount in the Chevrolet Express Cargo Van 2500, equipped with 4-wheel ABS for superior stopping power and a front stabilizer bar for enhanced control. Dual front airbags are ready to protect you in the event of a collision, giving you peace of mind as you traverse the roads. The van's steel wheels are not only sturdy but also come with a Tire Pressure Monitoring System, ensuring your tires are always at optimal performance levels for safety and fuel efficiency.

Practicality extends to the interior, where you'll find bucket seats that provide comfort during long drives. The convenience of power steering and two 12V power outlets allows you to charge your devices and navigate your day with ease. An external temperature display and compass keep you informed of conditions outside, while the automatic climate control ensures a pleasant environment inside, no matter the weather.

The cargo area is illuminated by a dedicated light, making loading and unloading a breeze, even in low-light conditions. The rear window defogger and solar-tinted glass maintain clear visibility, while the steel spare wheel stands ready in case of an unexpected flat tire.

This 2012 Chevrolet Express Cargo Van 2500 is more than just a vehicle; it's a mobile office, a dependable partner, and a wise investment. It's built to serve the demands of your business and to stand the test of time. Whether you're hauling equipment, delivering goods, or driving to the next job site, this van is equipped to support your entrepreneurial spirit and drive your business forward.

Don't miss the opportunity to own this pinnacle of practical performance. The 2012 Chevrolet Express Cargo Van 2500 is waiting for you to turn the key and embark on your next venture with confidence and style. Come see for yourself why this van is the ultimate tool for your trade.
