FULL BUILD BROCHURE AVAILABLE: https://assets-cdn.interactcp.com/interactrv/brand_brochure/brand_brochure_20180412051034024079modified=0616202218153417

Hit the road knowing that you have all that you need at your fingertips in this Winnebago View Class C Diesel motorhome. Creating meals and snacks will be easy in the kitchen because of the two-burner range and convection microwave oven, and the Norcold double-door refrigerator/freezer will keep all of your perishable items cold and fresh. You will also find a pantry cupboard near the refrigerator for all of your dry and canned goods, and the overhead cabinets keep your daily dishes and kitchen items easily accessible. You will thoroughly enjoy the convenience of having a rear bathroom in this coach, and the Murphy bed will prove to be a huge asset in providing extra sleeping space at night while still keeping the interior free from clutter during the day.

This Winnegabo motorhome is the ultimate in efficient and luxurious RV travel because of the solid foundation it has been built upon. The legendary SuperStructure construction is what provides this coach with a strong and durable base that is able to accommodate all of the functional amenities you are looking for, like the compact sleeping capacity. Whenever you need to pull over and take a break from driving, the swivel cab seats allow you to turn around and join in the fun that is going on in the back of the coach, and your kids will love spending their afternoons in the bunk over the cab because they can turn it into their own little fort while they take a nap or put together a puzzle.
