Wow! The cleanest Miata we have ever seen here at Sienna. Low Miles, Clean CARFAX, fully original and garage kept, no rust and the original paint is stunning. Car is owned by one of our employees and he bought it from the original owner since 1990. We have a folder of documentation and service from this car since new. Car was protected with Ziebart Undercoating and was always reapplied yearly. The factory hardtop of the car was purchased new with the car and the soft top is in great condition as well. The car is bone stock and completely up to service. Just fully serviced, new oil and new valve cover gaskets, filters, spark plugs, battery, brakes, clutch and the list goes on. Car looks new out of the showroom. Documentation provided is the original purchase of this Miata and we have a lot more history of the vehicle. All of the rubbers and buttons look new. Everything works flawlessly. All of the original manuals and 4 Original Mazda Keys.

To see this Miata you will need to make an appointment as it stays inside of his garage.
