The LP system, water heater, furnace and stove top try to function but the LP tank is empty.

If you do not see it, or I do not show it functioning or it is not listed in this description, the I did NOT check it, it is missing or similar. The only items checked are listed or shown in photos.

This RV is older and a little dirty and it could use a good cleaning, it is 10 years old and used. I tried to take a lot of photos so you can tell.
