2024 Chevrolet Silverado 1500 Custom Introducing the 2024 Chevrolet Silverado 1500 Custom, a truck that embodies power, style, and cutting-edge technology. With only 7,079 miles on the odometer, this Silverado is practically brand new and rearing to get back on the road. The sleek black exterior is not just a color; it's a statement. Paired with the rugged Chevytec Spray-On Bed Liner, this truck is designed to withstand the toughest jobs while looking effortlessly cool. The driver's seat features 10 power adjustments, ensuring you find the perfect position for those long hauls or quick trips around town. Every detail in this cabin is designed with the driver in mind, from the intuitive layout to the high-quality materials. Whether driver or passenger, this truck is an absolute blast to be in, a true home away from home. The TurboMax 2.7L Turbo I4 engine is where this truck derives its power. The 310 horsepower and 430 ft. lbs. of torque it provides equips the Silverado with the requisite capability to slice and dice any itinerary. Equipped with automatic emergency braking and lane keeping assist, you can drive with confidence knowing that advanced systems are working to keep you and your passengers safe. The pre-collision warning system and lane deviation sensors add an extra layer of security, ensuring you're always aware of your surroundings. But the Silverado doesn't stop at safety; it's packed with modern tech features to keep you connected and entertained. The built-in Wi-Fi hotspot ensures you and your passengers stay connected on the go. Wireless Android Auto and Bluetooth connectivity make it easy to integrate your smartphone, allowing for hands-free calls and seamless access to your favorite apps and music. Plus, with Amazon Alexa compatibility, you can control smart home devices, get directions, and more, all with simple voice commands. Starting your journey is as easy as pushing a button, thanks to the convenient push-button start feature. And
