Experience the pinnacle of electric luxury and performance with the 2018 Tesla Model X 100D! This stunning SUV, cloaked in a sleek silver exterior, is not just a vehicle; it's a statement of innovation, style, and cutting-edge technology. With its black leather interior, the Model X 100D offers an opulent cabin that promises comfort and sophistication in every journey.

Under the hood, or rather, beneath the floor, lies an electric powerhouse that delivers an exhilarating 417 horsepower and a robust 485 ft. lbs. of torque. The 1-Speed Direct-Drive Automatic transmission ensures seamless acceleration, making every drive smooth and effortless. With an impressive range of 295 miles per charge, you can embark on long journeys with confidence, knowing that the Model X 100D has the stamina to keep up with your adventures.

Step inside and be greeted by the luxurious Black Premium Seats, designed to provide maximum comfort for all seven passengers. Yes, that's right – this Model X is equipped with a Seven Seat Interior, making it perfect for families or those who love to travel with friends. The driver's seat boasts 14 power adjustments, allowing you to find the perfect driving position with ease.

Safety and convenience are paramount in the 2018 Tesla Model X 100D. The Enhanced Autopilot and Full Self-Driving Capability options transform your driving experience, offering advanced features such as automatic lane-keeping, adaptive cruise control, and even the ability to change lanes on its own. The Automatic Emergency Braking and Pre-collision Warning System with audible alerts ensure that you and your passengers are always protected.

Navigating through traffic has never been easier, thanks to the Traffic

Sign Recognition system with adaptive speed limiting. The air suspension provides a smooth and comfortable ride, regardless of the terrain, while the aluminum alloy wheels add a touch of elegance and durability.

Stay connected and entertained with the 17-inch infotainment screen, which serves as the command center for all your media, navigation, and vehicle settings. The touch screen display navigation system ensures you never lose your way, guiding you with precision and ease. The multi-function remote with proximity entry system adds a layer of convenience, allowing you to unlock and start your vehicle without ever taking the key out of your pocket.

Charging your Model X 100D is a breeze with the Tesla (SAE J3400) electric motor charger connector, ensuring you can quickly and efficiently recharge your vehicle at home or on the go.

This 2018 Tesla Model X 100D is not just a car; it's a glimpse into the future of driving. With its unmatched performance, state-of-the-art technology, and luxurious comfort, it's a vehicle that redefines what an SUV can be.
