Introducing the 2021 Tesla Model Y Long Range – a stunning blend of cutting-edge technology, luxurious comfort, and unparalleled performance. This impeccable electric SUV, with only 19,896 miles on the odometer, is your ticket to a future of driving excellence and environmental consciousness.

Dressed in a captivating blue exterior, this Model Y commands attention on every road. The sleek, aerodynamic design is not only visually appealing but also enhances efficiency and performance. Step inside to experience the epitome of luxury with a sophisticated black leather interior that exudes elegance and comfort. The Black and White Interior package elevates the ambiance, creating a serene and inviting atmosphere for both driver and passengers.

Under the hood, or rather beneath the chassis, lies the heart of this marvel – an electric motor delivering a robust 346 horsepower and an impressive 389 lb-ft of torque. Paired with a 1-Speed Direct-Drive Automatic transmission, the Model Y offers seamless acceleration and a driving experience that is both smooth and exhilarating. With a remarkable range of 316 miles per charge, say goodbye to range anxiety and hello to endless adventures.

Safety and convenience are paramount in the Tesla Model Y. Equipped with Full Self-Driving Capability, this vehicle is at the forefront of autonomous driving technology. The Automatic Emergency Braking system ensures you and your loved ones are always protected, while the Adaptive Stop and Go Cruise Control takes the stress out of long journeys by maintaining a safe distance from the vehicle ahead. The Pre-Collision Warning system provides audible alerts, giving you peace of mind on every drive.

The panoramic Moonroof/Sunroof floods the cabin with natural light, creating an open and airy feel that enhances every journey. The aluminum alloy wheels not only add a touch of sophistication but also contribute to the vehicle's impressive handling and stability.

Stay connected and entertained with the state-of-the-art infotainment system featuring a 15-inch touch screen display. The integrated navigation system ensures you never lose your way, while the 14-speaker audio system delivers an immersive sound experience. The multi-function remote with proximity entry system offers unmatched convenience, allowing you to access your vehicle effortlessly.

Charging is a breeze with the Tesla (SAE J3400) electric motor charger connector, making it easy to power up at home or on the go. The adaptive speed limiting traffic sign recognition system ensures you are always driving at a safe and legal speed, adding an extra layer of safety to your travels.

The 2021 Tesla Model Y Long Range is not just a vehicle; it's a statement. It has earned accolades from Kelley Blue Book, including Best Overall Luxury Brand, Best Performance Luxury Brand, Best Value Luxury Brand, and Most Refined Luxury Brand. These awards are a testament to Tesla's commitment to excellence and innovation.

Don't miss your chance to own this remarkable vehicle. The 2021 Tesla Model Y Long Range is more than just a car – it's a lifestyle choice that reflects your commitment to sustainability, luxury, and cutting-edge technology.
