This exceptional SUV, cloaked in an eye-catching blue exterior, is not just a vehicle; it's a statement of innovation, luxury, and environmental consciousness.

As you approach this masterpiece, the sleek lines and aerodynamic contours immediately capture your attention, reflecting Tesla's commitment to both aesthetic beauty and superior functionality. The aluminum alloy wheels add a touch of elegance and robustness, ensuring that your Model X stands out in any setting.

Open the doors to reveal a lavish tan leather interior that exudes sophistication and comfort. The Six Seat Interior configuration offers ample space for family and friends, making every journey a pleasure. Each seat is meticulously crafted for maximum comfort, with the driver seat boasting 14 power adjustments to ensure the perfect driving position for any adventure.

At the heart of the 2018 Tesla Model X 100D lies an electric motor that delivers an exhilarating 417 horsepower and a remarkable 485 ft-lbs of torque. This powerhouse is paired with a 1-Speed Direct-Drive Automatic transmission, providing seamless acceleration and an incredibly smooth ride. With an impressive range of 295 miles per charge, you can embark on long journeys with confidence, knowing that Tesla's state-of-the-art technology has you covered.

Safety and convenience are paramount in the Model X. The Premium Upgrades Package includes a suite of advanced features designed to enhance your driving experience. Automatic emergency braking and a

pre-collision warning system with audible alerts ensure that you and your passengers are protected at all times. The adaptive speed-limiting traffic sign recognition and blind spot safety sensors provide an extra layer of security, allowing you to navigate busy roads with ease.

The Model X is equipped with an air suspension system that adapts to various driving conditions, offering a smooth and comfortable ride regardless of the terrain. The dual front knee airbags further enhance safety, providing peace of mind during every journey.

Stay connected and entertained with the 17-inch infotainment touch screen display, which serves as the command center for navigation, media, and vehicle settings. The intuitive touch screen interface makes it easy to access a wealth of information and entertainment options at your fingertips. The built-in navigation system ensures that you always know the best route to your destination, while the Tesla (SAE J3400) electric motor charger connector makes recharging your vehicle convenient and efficient.

The multi-function remote with proximity entry system allows for seamless access to your vehicle, adding a layer of convenience to your daily routine. Simply approach your Model X, and it will unlock automatically, ready for you to embark on your next adventure.

In summary, the 2018 Tesla Model X 100D is a remarkable blend of cutting-edge technology, luxury, and performance. With its striking blue exterior, sumptuous tan leather interior, and a host of advanced features, this SUV is designed to impress and inspire.
