THIS IS THE ONE YOU'VE BEEN WAITING FOR!! Introducing the 2024 Ineos Grenadier: Where rugged durability meets modern sophistication! This extraordinary vehicle is designed for those who seek adventure without compromising on comfort and performance. With only 798 miles on the odometer, this nearly-new marvel is ready to conquer any terrain you throw at it. This is your opportunity to own a vehicle that truly stands out from the crowd!

This is a local, one owner, perfect CarFax, brand new Grenadier, that runs and drives perfect, and looks even better, as you would expect from one with this very low mileage! This has to be one of the coolest vehicles I have ever bought in my 30 something years in the car business! You get the look of a G-Wagon or old style Defender with new and modern technology. You absolutely can't find one just anywhere, and everywhere you go people will be trying to stop you to look at it! They are incredible looking, and a joy to drive! This one has lots of extras you won't find on most. A very wealthy man here locally bought it new, and was going to put it at his 2nd home in Colorado, and all of a sudden someone knocked on his door and wanted to buy his home in Colorado, made him an offer he couldn't refuse and sold it, so he didn't need the Grenadier anymore. He called me and I gladly bought it. I absolutely love this vehicle, and so will you. It comes with a full 5yr/60,000 miles warranty so you can buy with confidence. Most of the time you if find one loaded up like this one with all the markup and fees you will pay mid to upper \$80's for it, so

take advantage of his loss, and let it be your
gain at this great price!

To be able to find one of these super rare and
hard to find Grenadiers, especially a one owner,
with a perfect CarFax, and this low of miles,
with all these extras, this new, at this great
price, is a deal, and keep in mind, this is an "out
the door" offer, nothing extra, no doc or dealer
fees, nothing!

Please feel free to give me a call to further
discuss your interest in this

2024 Ineos Grenadier!
