Clean Affordable Cruiser! White and yellow tu-tone exterior was painted in the late 1970's and still shows decent with some flaws. Hardly any rust to speak of as this is a California car. Green interior appears to be original with the obvious flaws. The 287ci V8 engine runs good and the automatic Hydra-matic transmission shifts well. Radiator recently re-cored and the carburetor was rebuilt. Tires recently replaced. Clean car overall with a clean California title in-hand. Black plates stay with the car and are from 1963-1964. Runs and drives good. Great entry level classic to use as-is or upgrade as needed.
