need to schedule two hours. If you do not schedule any time, then the ebay transaction will be just a sign and drive, you can figure out all of the camper stuff yourself. If you are purchasing on a buy it now price, or some other website then no worries about scheduling time.

This is a Georgetown by Forest River with 2 Slides, BUNKS, model 350DS, 35ft long.

Only 54 k miles
We completed an inspection on this RV and the following shows the results of our findings:

The Ford V10 runs good.

The transmission shifts good.

The gen works.

The engine or dash AC seems to maybe need a little freon gas to make it cold.

This motorhome was just driven approx 100 miles with no issues.

There is a roof AC unit that works.

The LP system tries to work, Water Heater and Stove top, but it is out of the LP gas.

It has 2011 date code tires on it, so, it needs new tires or approx \$2100.

The microwave turns on, although we did not cook anything in it

cook anything in it.

The water system should work.

The fridge works.

The jacks work.

The power cord is a 50 amp and is missing. We used one of our power cords to check the systems. Typically, we have used 50amp twist lock power cords for \$125 and new for \$225.

The radio works.

The batteries may need to be replaced, they are older.

The main awning works, the material is the original and has a few holes in it but is still very functional.

We have the keys.

A few of the lights do

... of the lights do not work as you can see in the photos, most of the time, the bulbs are bad.

Most of these older motorhomes really need the oil, oil filter, fuel filter changed on both the engine and the generator.

We did NOT check anything else.

If you do not see it, or I do not show it functioning or it is not listed in this description, the I did NOT check it, it is missing or similar.

The only items checked are listed or shown in photos.

This RV is dirty and needs a good cleaning and it is also a little

rough, it is 17 years old and used.

I tried to take a lot of photos so you can tell. For the buy it now price of \$22999 we will include the following:

oil, oil filter and fuel filter change on both the engine and generator

Wiper replacement

Used power cord.

New awning material

New wipers

Replace batteries

Full of GAS and LP

New tires

This means that you have the opportunity to purchase cheap, fix it up and sell for a profit if you so desire.

For any other price

.. .. . UNOT

those items would NOT be included.

If you win this item on an ebay auction, then the following terms would apply.

very low profit so we have to turn out money very fast.
