Please understand, we do our professional best to describe in detail the condition of our vehicles, however, we are only human and these are used vehicles. Therefore, Montana Motor Mall, and its employees, will not be held accountable for errors or omissions in the

description of the above vehicle or typographical errors in any of our vehicle listings. All vehicle options, specs, features, color descriptions, history, paint history, maintenance records and manufacturer's warranty information should be researched and confirmed by the buyer or third party service before completing the vehicle purchase. Helpful research information can be found at [Edmunds.com](http://www.edmunds.com/), [AutoCheck.com](http://www.autocheck.com/consumers/gatewayAction.do?siteID=0∓WT.mc_id=0), [Carchex.com](http://www.carchex.com/), [CarFax.com](http://www.carfax.com/), etc... Our listing software provider allows the VIN to decode the ORIGINAL FACTORY EQUIPMENT that this vehicle had when it rolled off the factory line. There may not be additional dealer equipment that was added by the original selling dealer that will not be listed in this section. There may have items listed as original factory equipment that are no longer with the vehicle we are currently selling. For example: 2 sets of keys, keyless entry remotes, owner's manual, factory floor mats, Navigation discs, first aid kits, factory tires/size/load rating, etc. Please refer to the photos we have taken or ask us your specific concern to be certain there is no confusion. We will not be responsible for any discrepancies between the Original Factory Equipment section and what is presented in the photos or description. Please do not assume and allow us to put our answers to your specific concerns in writing. Montana Motor Mall is fully responsible for all content in this listing. Human error is possible and we reserve the right to reverse any sale based on pricing/listing error which can occur at any time without notice. All inventory is listed for sale locally, therefore all are subject to sale at any time and may not be available. Everyone is encouraged to call with questions or concerns.

 Note: Our listing software provider allows the VIN to decode the ORIGINAL FACTORY EQUIPMENT that this vehicle had when it rolled off the factory line. There may not be additional dealer equipment that was added by the original selling dealer that will not be listed in this section. All vehicle options (power opts, cd players/changers, audio equipment, entertainment systems/dvd, navigation systems/nav dvd, etc), specs, features, color descriptions, history, paint history, maintenance records and manufacturer's warranty information should be researched and confirmed by the buyer or third party service before completing purchase. Helpful research information can be found at [Edmunds.com](http://www.edmunds.com/), [AutoCheck.com](http://www.autocheck.com/), [Carchex.com](http://www.carchex.com/), [CarFax.com](http://www.carfax.com/), etc... At our dealership we work very hard to accurately describe our vehicles through text descriptions and elaborate photos. We hand select each vehicle we put on eBay. The vehicle shown is ALWAYS the vehicle being sold. Please look over the photos carefully as they are part of the description. When you purchase any pre-owned vehicle it is not a new vehicle. Any pre-owned vehicle can/will have normal wear, which may include, but not limited to, rock chips, scratches, scuffs, and minor interior wear. Our policy is to disclose anything beyond that and we encourage pre-purchase inspections. When fresh inventory arrives, we do our best to inspect all power options, DVD systems, audio equipment, NAV systems, etc., however AAB will not be held liable or responsible for any of these items. We will check for and disclose paint work found on any vehicle, but keep in mind - this is an imperfect science. Please bear in mind that often truck owners may choose to alter factory emissions and/or exhaust to enhance performance or fuel economy. We often do acquire trucks that have these performance enhancing equipment already installed. This equipment may alter original emissions equipment or void factory warranties. We do not test or alter this equipment. If this is a concern of yours, please exercise your right to have a pre-purchase inspection prior to leaving your deposit. Our sales staff is available to assist in answering any specific cosmetic questions and will gladly walk around a vehicle to give you a more accurate description. BEFORE a deposit is left. Ultimately, it is up to the potential buyer to do their due diligence. Montana Motor Mall does not want to hide anything and we encourage everyone to have a pre-buyer's inspection done before purchase.
