2011 Ford F-250 Super Duty Lariat 4X4 This 2011 Ford F-250 Super Duty Lariat 4X4 is something to look up to, literally and figuratively. High above the crowd, the F-250 is all about maxing things out, quality, style, performance, feel...you name it this truck does it at an A+ rating. The 6.2L Flex Fuel V8 engine is primed and pumped to pull preposterous packages, to put it plainly. That engine and the Lariat trim package mix to make this truck a formidable force on any job or any day. The black leather seats are not a beautiful spot from which to admire the rest of the cabin. The driver's seat offers 10 power adjustments, so you can find your perfect driving position. The power moonroof, navigation system, satellite radio and rearview camera outfit the cabin in tech and entertainment. Memory settings for the power adjustable pedals, driver seat, and PowerScope trailer-tow mirrors make it easy to switch drivers without losing your preferred settings. The F-250 is not just about luxury; it's built for adventure. The FX4 Off-Road Package includes hill descent control, transfer case and fuel tank skid plates, and off-road tuned shocks, making it ready for any off-road escapade. The 3.73 electronic locking axle ratio ensures you have the traction you need when you need it most. Adding to its rugged appeal is the Chrome Package, featuring chrome exhaust tips, tow hooks, unique mirror caps, and 6-inch angular chrome tubular step bars. The custom Baja Boss tires and XD wheels are standouts on the exterior, providing unending utility and even more personality to the F-250. The remote start system lets you warm up your vehicle on cold mornings, and the tailgate step makes loading and unloading a breeze. Dual-zone automatic climate control keeps everyone comfortable, while Bluetooth connectivity ensures you stay connected on the go. We love this truck, but unfortunately we can't keep it. If you're fast enough it might be you who drives off in it! This vehicle has
