### 2019 GMC Sierra 3500HD Denali 4x4

Much like the mountains it's named for this 2019 GMC Sierra 3500HD Denali 4x4 is full of majesty and primal power. Key to that unbridled strength is the combo of Duramax 6.6L Biodiesel Turbo V8 engine and Allison 1000 6-Speed Shifttable Automatic transmission. These two work in tandem to make the Sierra a monster workhorse. Thanks to it's Denali trim package, the Sierra is not just brutally powerful, it's high end classy too.

Practicality meets luxury with the Chrome Round Assist Steps, making it easier to step into this commanding vehicle, while adding pizzazz with their chromed tubular design. The Cargo Convenience Package ensures that your interior remains pristine and organized, thanks to dealer-installed front and rear all-weather floor mats, a front console organizer, and rear under-seat storage.

The premium Bose sound system provides crystal-clear audio for all your favorite tunes. The touch screen navigation system keeps you on the right track, while the check rear seat reminder ensures you never leave anything behind. Comfort is king in the Sierra 3500HD Denali, with a heated steering wheel and a 12-way power-adjustable driver seat that lets you find your perfect driving position with ease. The attention to detail is evident in every stitch of the leather-trimmed upholstery, creating an environment that is both inviting and durable.

This truck is not just about muscle and luxury; it's also about versatility and reliability. The 150 Amp and 220 Amp Dual Alternators ensure you have all the power you need for any accessories or equipment you might have. The 3.73 Rear Axle Ratio provides the perfect balance of

power and efficiency, while the Engine Block Heater Disabled feature ensures your engine is ready to perform in any weather conditions.

It's time to treat yourself, to do something for you. What better way to do so than with a vehicle that will make your life better in every way. Visit us today and experience the Sierra 3500HD Denali for yourself!
