Experience the future of driving with the stunning 2018 Tesla Model 3 Long Range, a vehicle that redefines what it means to hit the road. With only 35,187 miles on the odometer, this meticulously maintained electric sedan is ready to deliver an unparalleled driving experience. Dressed in a captivating blue exterior and complemented by a luxurious black leather interior, this Model 3 is as stylish as it is advanced.

Under the hood, or rather beneath the sleek body, lies a powerful 258hp electric motor delivering an impressive 317 ft. lbs. of torque. Paired with a 1-Speed Direct-Drive Automatic transmission, this setup ensures seamless acceleration and a smooth, responsive ride. And with an astounding 310 miles per charge, range anxiety will be a thing of the past.

This Model 3 is equipped with the Premium Upgrades Package, enhancing your driving experience with top-of-the-line features. Enjoy the convenience and safety of Enhanced Autopilot and Full Self-Driving Capability, allowing you to navigate roads with ease and confidence. The automatic emergency braking system and pre-collision warning system with audible alerts are always on guard, ensuring your safety in any driving condition.

The driving experience is further elevated by the adaptive speed limiting traffic sign recognition and blind spot safety sensors and alerts. Dual front knee airbags and lane deviation sensors add an extra layer of protection, making every journey secure and worry-free.

Step inside to a cabin that exudes modern luxury. The black leather seats offer exceptional comfort, while the 15-inch touchscreen infotainment display serves as the command center for all your driving needs. The advanced navigation system with a touch screen display

ensures you'll never lose your way, while the Tesla App compatibility allows you to control and monitor your vehicle remotely.

The exterior is just as impressive, with sleek lines and aerodynamic design complemented by aluminum alloy wheels that not only look fantastic but also enhance performance. Charging is a breeze with the Tesla (SAE J3400) electric motor charger connector, ensuring you're always ready for the next adventure.

In addition to the cutting-edge technology and luxurious features, this Model 3 comes with a comprehensive warranty for added peace of mind. Simply click on the Warranty Tab for more details.

This 2018 Tesla Model 3 Long Range is more than just a car; it's a statement of innovation, luxury, and forward-thinking design. Whether you're commuting to work, embarking on a road trip, or simply cruising around town, this vehicle promises to deliver an experience like no other.

Don't miss your chance to own this exceptional electric vehicle. With its low mileage, premium features, and unmatched performance, it's sure to sell quickly. Schedule a test drive today and discover why the Tesla Model 3 is the future of driving. Your next adventure awaits!
