Carrick's Autos is a Five Star Dealer located in Plano, Texas (suburb of Dallas) with a very simple philosophy: Take Care of the customer. We sell clean, well-maintained autos at a low margin with a "no stress" pricing strategy in a "No Pressure" environment. We hand pick each vehicle and have each one inspected by a certified mechanic prior to placing the vehicle on the market to ensure our customer's satisfaction. We save you money in every way that we can, and you can rest assured that you have received the best price and service on your purchases. We offer full-service warranties and financing to fit all types of buyers. We are a family owned business with Mark (father) and Patrick (son). Call us right now and set an appointment to see your next automobile!

#### Awards:

\* 2015 IIHS Top Safety Pick+, Top Safety Pick+ \* 2015 KBB.com Best Buy Awards Finalist \* 2015 KBB.com 10 Best Sedans Under \$25,000 Reviews:

\* One of the more attractive interiors in the segment at an affordable price is tough to overlook. A refined 4-cylinder engine offers respectable fuel economy due in part to the new 9-speed automatic transmission. If it??s power you seek, the Pentastar V6 serves up 295 horsepower. Source: KBB.com

\* Strong V6 engine; composed ride and handling; high-quality interior materials; slick infotainment interface; available all-wheel drive. Source: Edmunds

\* The advanced engineering of the redesigned 2015 Chrysler 200 results in highly efficient, refined performance. The exterior design blends coupe-like proportions with a tasteful fit and finish. A dynamic stance, wind-swept profile, finely sculpted curves and aggressive wheel-to-body proportions result in a sophisticated road presence. The 200 redefines the sedan interior. A traditional center console is replaced with one that is ergonomic and space efficient. It combines climate controls, the Electric Park Brake and connectivity functions with storage features. A connection to a USB or auxiliary media hub is located under the cup holder. Controls for the available dual-zone automatic temperature control are in short reach and easy to use. The 200 fuel economic ratings speak for themselves. The 2.4L Tigershark MultiAir II four-cylinder engine provides up to 36mpg HWY, while the available 3.6L Pentastar V6 engine delivers up to 31mpg HWY with 295hp. The Rotary E-shift features a wide gear ratio spread provides smooth, indecipherable transfer between gears at all speeds. Standard on all 200 models (except the LX) the Uconnect 5.0 System includes a high-resolution 5in touchscreen, one year of SiriusXM Radio, Integrated Voice Command, Bluetooth technology, a media hub with mobile device integration and more. To keep driving safe, 200 models include standard steel cage construction and eight airbags that help deliver excellent occupant protection in front, side and rear impacts. Advanced accident avoidance features include available Lane Departure Warning with Lane Keep Assist. Class-exclusive features include available Adaptive Cruise Control with Stop and Go functions, available Forward Collision Warning, and available Parallel Park Assist.
