Vehicle Description

Additional pictures are posted on I-95 Muscle's direct website.

Check out this 1969 Toyota Land Cruiser FJ40, an iconic off-road machine that's ready for the next adventure. Sporting a classic 3.9L inline 6 cylinder engine paired with a 3 speed manual transmission, this FJ40 roars to life with a new Weber carburetor and Gibson exhaust. Its stance is enhanced by brand-new 33x12.50 Toyo tires on 15" steel wheels, while Bilstein 5150 shocks ensure a smooth ride over rough terrain. The truck's exterior, bedlined in bold blue with rugged diamond plate armor, perfectly matches its no-nonsense attitude. Equipped with a Badlands winch, on-board air, and a sturdy 4-point roll bar, this FJ40 is built for tackling tough trails. The fuel cell and black racing seats with Corbeau harnesses add to its rugged appeal, making it clear this Land Cruiser means business. With no roof and no doors, it's all about embracing the open-air experience and conquering the outdoors. Whether you're navigating rocky paths or just turning heads on the road, this FJ40 is an adventure waiting to happen. Financing is available and trades are welcome. Call, click, or come by today!
