Vehicle Description

Additional pictures are posted on I-95 Muscle's direct website.

Introducing the epitome of Japanese engineering and automotive excellence: the 1995 Nissan R33 Skyline GTS 25T! With a mere 37,180 converted miles (40,858 km on the original odometer, plus 18979 km on the replaced odometer) from kilometers, this iconic sports car is a rare gem that promises to deliver an exhilarating driving experience every time you get behind the wheel. Nestled under the hood of this R33 Skyline is a Turbocharged 2.5L I6 engine that roars to life with every turn of the key. This powerhouse of an engine is known for its robust performance and reliability, offering a seamless blend of power and precision. It's been upgraded with 550 injectors, Mishimoto intercooler, forward facing plenum, and Audi R8 injectors along with a Blitz exhaust that is hard to get these days. Paired with a 5 speed manual transmission, this Skyline gives you full control over its impressive capabilities, making every drive an engaging and thrilling experience. Whether you're cruising down the highway or carving through winding back roads, the R33 delivers a ride that's both smooth and exhilarating. Whiteline sway bars, Cusco Zero A coilovers, and Energy suspension bushings allow for advanced setups to dial this car into whatever track you take it to next. The R33 Skyline is more than just a car; it's a piece of automotive history. Owning this vehicle means becoming part of an exclusive club of enthusiasts who appreciate the blend of performance, style, and heritage that the Skyline represents. It's a car that commands respect and admiration, whether you're at a car show or simply enjoying a weekend drive. Financing is available and trades are welcome. Call, click, or come by to see this JDM beast in person!

Installed Options

Displayed pricing excludes I-95 Muscle's \$499 Dealer fee as well as any DMV, tax, and license plate fees associated with registering the vehicle in the purchaser's state.
